Hi, Alex! My name is Oliver, and I am from New Zealand, too.

New Zealand is a group of islands in Oceania. There are two large islands, the North Island, and the South Island.

About 5 million people live in New Zealand.

A young man with dark hair and a wide smile, wearing a headband with a red, white, and black geometric pattern. His face is decorated with intricate black and white paint designs, including a large, curved line across his cheek and a patterned headband. He is wearing a necklace with a red and black geometric pattern. The background is blurred, showing other people in a crowd.

Alex, I see you are interested in food.

Did you know almost everyone (96%) in New Zealand has enough food to eat?

New Zealand has had very good supplies of food for many years.

Did you know almost everyone (96%) in New Zealand has enough food to eat?

New Zealand has had very good supplies of food for many years.

New Zealand has had very good supplies of food for many years.
